PRESENT A 1 WEEK ONLINE

FDP & WORKSHOP ON

**FUTURE OF AI IN EDUCATION: ENHANCING
TEACHING AND LEARNING**

DATE
14TH - 18TH APRIL 2025

TIME
6:30 PM TO 7:30 PM

📢 Join us for an insightful FDP and workshop on the Future of AI in Education: Enhancing Teaching and Learning, and explore innovative ways to transform education with AI! 🚀

ABOUT SGC

Saradha Gangadharan College, established in 2001 in Puducherry, aims to provide value education in Arts, Commerce, and Science, particularly for students from economically disadvantaged backgrounds. Affiliated with the Central University of Puducherry, it started with four undergraduate courses and has since expanded to offer nine undergraduate and four postgraduate programs. The institution emphasizes holistic development through co-curricular activities such as NSS, Rotract, Red Ribbon Club, Women's Cell, and Sports, and supports student placement through an active Placement Cell. With a vision to become the preferred educational institution in the region, it ensures high-quality teaching, learning, and student support.

ABOUT CMAOI

The Commerce and Management Association of India (CMAOI) is a prestigious professional organization dedicated to advancing education and research practices across India. CMAOI is a dynamic platform fostering networking, knowledge-sharing, and collaboration within commerce, management, and technology.

Our esteemed association boasts a membership of over 600 individuals, encompassing leaders from various domains, including Heads of Departments from renowned colleges and universities, as well as professionals from the industry. Join us in shaping the future of commerce, management and technology through collective expertise and shared vision.

ABOUT AMIEE

AMIEE Association is a leading professional organization committed to advancing AI, Machine Learning, Innovation, Entrepreneurship and Engineering across India. With a membership of over 90 individuals, they aim to support and inspire individuals and organizations engaged in these areas, creating a vibrant community of forward-thinkers and problem-solvers. Through collaboration, education, and advocacy, AMIEE strives to be a leading force in shaping the future of technology and entrepreneurship.

CHIEF PATRON

SHRI G. SWAMINATHAN

Chairman, Saradha Gangadharan College, Puducherry

PATRON

DR S. PAZHANIRAJA

Vice Chairman, Saradha Gangadharan College,
Puducherry

CONVENER

DR S. BABU

Principal, Saradha Gangadharan College, Puducherry

CO - CONVENER

DR K. ANURADHA

HOD & Associate Professor, Dept. of Corporate
Secretaryship, Saradha Gangadharan College, Puducherry

PROGRAM CHAIR

DR AAMIR JUNAID AHMAD

Secretary, CMAoI Association,
TEDx Speaker | Featured in FORBES
Times Excellence Awardee

ADVISORY COMMITTEE

DR R SATHEESHKUMAR

Professor, Surana College (Autonomous), Karnataka
Lifetime Member of CMAOI Association

MS SABIHA FATMA

System Analyst, Advisory Committee, AMIEE Association
Lifetime Member of AMIEE Association

KEYNOTE SPEAKER

DR SHEEBA P. S.

Dean - Academics & Research, Associate Professor & Head,
Dept. of Computer Science & Engineering (IoT & CSBT),
Lokmanya Tilak College of Engineering, Navi Mumbai.
Lifetime Member of AMIEE Association

SPEAKERS

DR NALINI N.

Professor, Dept of CSE, Nitte Meenakshi Institute Of Technology, Karnataka

Lifetime Member of AMIEE Association

DR CHETAN K R

Professor and Head, Dept. of AIML, Jawaharlal Nehru New College Of Engineering, Shivamogga

Lifetime Member of AMIEE Association

DR SANDHYA N

Professor And HOD, Dept. of CSE (AIML), Dayananda Sagar Academy Of Technology And Management, Karnataka

Lifetime Member of AMIEE Association

DR YARLAGADDA ANURADHA

Associate Professor, Department of CSE, Gayatri Vidya Parishad College Of Engineering (Autonomous), AP

Lifetime Member of AMIEE Association

DR R. ANURADHA

Professor, Department of CSE, Sri Ramakrishna Engineering College, Tamil Nadu

Lifetime Member of CMAOI Association

TECHNICAL COMMITTEE

MR SYED ALI ASHFI

Sr. Programmer, S S Systems Pvt Ltd, Patna, India

Lifetime Member of AMIEE Association

ABOUT THE PROGRAMME

The Faculty Development Program (FDP) and Workshop on the Future of AI in Education: Enhancing Teaching and Learning is a comprehensive initiative designed to equip faculty members and educational professionals with the tools, knowledge, and strategies to integrate artificial intelligence into the classroom. The program aims to explore innovative approaches to teaching and learning, focusing on leveraging AI to improve student engagement, personalize learning experiences, and enhance educational outcomes.

This FDP targets educators across all disciplines and levels, offering insights into AI-powered educational tools, data-driven teaching methods, adaptive learning systems, and the ethical implications of AI in education. It will cover practical applications of AI, including automated grading systems, intelligent tutoring, and virtual learning environments. Additionally, the program will emphasize the importance of digital literacy, AI integration in curriculum design, and fostering a growth mindset for both teachers and students.

This initiative is a valuable resource for educators looking to stay ahead in the rapidly evolving educational landscape. Participants will gain hands-on experience with AI technologies, equipping them to transform their teaching practices, engage students in new ways, and contribute to the future of education.

OBJECTIVES

- Learn how AI can transform teaching and learning experiences through innovative applications.
- Understand how AI-powered tools can enhance personalized learning, improve student engagement, and streamline classroom management.
- Examine the ethical implications of AI in education, including data privacy and algorithmic biases.
- Explore the potential of AI in curriculum design, adaptive learning systems, and automated assessments.
- Discover how data-driven teaching strategies and AI analytics can improve student outcomes and inform instructional decisions.
- Learn best practices for integrating AI technologies into traditional teaching methods to create more dynamic and effective learning environments.
- Develop skills in leveraging AI to create more inclusive and equitable educational opportunities.
- Understand the role of interdisciplinary collaboration in advancing the application of AI in education.
- Explore the latest trends in AI education technologies and their potential impact on the future of learning.
- Build strategies for preparing students for a future where AI plays a central role in their academic and professional lives.

KEY TAKEAWAYS

- Connect with AI experts, educators, and professionals to exchange ideas and best practices in AI-driven education.
- Gain access to recorded sessions of all workshops, enabling you to revisit key concepts and strategies at your convenience.
- Receive an electronic certificate upon completion, validating your understanding and application of AI in education.
- Opportunity to become part of an exclusive community of educators, sharing ongoing insights and updates on AI technologies in teaching.
- Access to valuable resources, including tools, templates, and guides for integrating AI into your teaching practices.
- Stay informed on the latest developments in AI and educational technology through continuous learning and support.
- Build a network with professionals and organizations driving the future of AI in education.

WHO SHOULD ATTEND

- Educators and academic professionals seeking to enhance their teaching practices through AI-driven methodologies.
- Researchers interested in exploring the role of AI in transforming education and improving learning outcomes.
- Industry professionals looking to integrate AI technologies into educational settings and curricula.
- Technology specialists aiming to understand how AI can be utilized in educational tools and platforms.
- Educational leaders and administrators focused on improving institutional practices using AI.
- Innovators and entrepreneurs exploring AI applications in the education sector.
- Instructional designers seeking to integrate AI into course development and student assessments.
- Professionals in education policy and research, interested in the ethical and practical implications of AI in education.
- Teachers and trainers aiming to improve student engagement and personalize learning experiences using AI.
- Global educators and thought leaders focused on shaping the future of AI-enhanced learning environments.

SCHEDULE

DATE	TOPIC	SPEAKER
14 April	<ol style="list-style-type: none"> 1. Introduction to AI in Education 2. AI and the Future of Education: Opportunities and Challenges 3. Understanding AI and Machine Learning: Basics for Educators 4. AI-Powered Personalization: Enhancing Student Learning Experiences 5. Role of Chatbots & Virtual Assistants in Student Engagement 6. Ethical Considerations & Bias in AI for Education 	Dr Nalini N.
15 April	<ol style="list-style-type: none"> 1. AI-Driven Teaching Methods & Tools 2. AI-Based Adaptive Learning Platforms for Personalized Education 3. AI-Powered Learning Analytics: Tracking Student Progress Effectively 4. Integrating AI in Curriculum Design: Best Practices 5. How AI Enhances Interactive & Gamified Learning 6. Exploring AI-Powered Assessment Tools for Fair Grading 	Dr Chetan K R
16 April	<ol style="list-style-type: none"> 1. AI for Teachers: Enhancing Pedagogy & Productivity 2. AI as a Teaching Assistant: Automating Administrative Tasks 3. Leveraging AI for Content Creation & Digital Lesson Planning 4. AI-Based Language Processing for Multilingual Education 5. The Role of AI in Virtual Classrooms & Hybrid Learning 6. AI in Special Education: Inclusive Learning for All 	Dr Sandhya N

DATE	TOPIC	SPEAKER
17 April	<ol style="list-style-type: none"> 1. AI for Research & Institutional Development 2. AI-Driven Research: Enhancing Academic Publications 3. AI and Big Data in Education Management 4. Using AI to Predict Student Performance & Dropout Prevention 5. AI for Institutional Decision-Making & Policy Development 6. Cybersecurity & Data Privacy in AI-Driven Educational Systems 	Dr Yarlagadda Anuradha
18 April	<ol style="list-style-type: none"> 1. Hands-on AI Applications & Future Trends 2. Hands-on Workshop: Building AI-Powered Educational Tools 3. Future Trends in AI and Their Impact on Teaching & Learning 4. AI and the Job Market: Preparing Students for AI-Driven Careers 5. Industry Collaborations & AI-Driven EdTech Startups 6. The Road Ahead: AI's Long-Term Role in Education 	Dr R. Anuradha
